Subject:- Marketing - Regulated Markets - Establishment of market yards and godowns by the South Kanara Market Committee at Mangalore - Financial assistance from the Central Commodity Committees.

Sir,

With reference to your letter No. Ms.1826, dated the 18th July, 1955, on the above subject, I am directed to say that since in the Second Five Year Plan a sum of Rs. 30 lakhs have been provided for setting up a state warehousing co-operation in the Madras State, the question of giving the assistance to the South Kanara Market Committee at Mangalore from the Commodity Committees does not therefore arise. It may also be stated that no specific provision has been provided for setting up warehouses for oilseeds in the Second Five Year Plan by this Ministry separately

2. In this connection please find herewith a copy of letter No. F.6(2)/50, dated the 20th September, 1955, from the Secretary, Indian Central Arecanut Committee for your information and necessary action.

Yours faithfully,

Salvi 22/10/55

Subject:- Marketing - Regulated Markets - Establishment of market yards and godowns by the South Kanara Market Committee at Mangalore - Financial assistance from the Central Commodity Committees.

.....

Sir,

With reference to your letter No.F.1-63/55-Com.I dated 23/24th August, 1955, on the above subject, I am to state as follows:-

2. In the draft proposals for the improvement of arecanut in the Second Five Year Plan, forwarded to the Ministry by this Committee, provision was made for a sum of Rs. 5.5 lakhs for construction of warehouses in important markets. But this amount was deleted by the Government in the final scheme approved by them. It is learnt that Government have decided that the respective State Governments should be requested to provide the necessary amount in their schemes for construction of warehouses through Warehousing Co-erporations.

3. Mangalore is an important market for arecanut and as such the proposal of the Government of Madras to finance the South Kanara Market Committee for construction of warehouse deserves favourable consideration. But in view of the reasons mentioned above, the Committee's finance at present may not permit giving a loan for this purpose. I am therefore to request that the Government of India may kindly be pleased to give the Committee an additional sum of for the grant of loan to the South Kanara Market Committee, in case the Government of Madras have no scheme for Warehousing Corporations.

Dear Shri Mudaliar,

I am desired to invite a reference to your letter No.80193 A.IV/55-1, dated the 8th September, 1955, and to say that letter No.FIV-9/54-M, dated May, 1955, from the Secretary, Indian Central Oilseeds Committee, to the State Governments was issued in the early stages of the discussions of the draft Second Five Year Plan. This letter is now out of date and we have actually asked the Oilseeds Committee to cancel it. The position is that you have probably yourself made a substantial provision for setting up a State Warehousing Corporation in the Second Five Year Plan and specific provision for warehouses for particular commodities has not been made in any plan. I am desired to invite your

attention in this connection to our No.F.1-63/55-Com.I, dated the 21st October, 1955.

Yours sincerely,

Sir,

SECOND ASST. SECRETARY TO GOVERNMENT 4427 17 JAN 1958

Sub:- COMMITTEES - South Kanara Market Committee - Acquisition of lands for location of Market Committee.

Ref:- Government Memorandum No. 101606-B-IV/54-Agriculture Department, dated 18-7-55.

I submit herewith a copy each of the letters from the Secretary, South Kanara Market Committee, Mangalore No.226/53 dated 10-12-55 and 19-12-55 for favour of information. In pursuance of the directions issued in the Government Memorandum cited the Collector of South Kanara is taking necessary steps for acquisition of lands for locating the market yard at Mangalore. It is presumed that the correspondence with the Government of India referred to in the Government Memo. cited, relates to the Government's letter No.Ms. 1826, Agriculture Department, dated 18-7-55 seeking financial assistance from the Central Commodity Committees

2. It is however seen from the Government of India letter No.F1-63/55-Com-1- dated 21-10-55, communicated with Government's Memorandum No. 80193-A-IV/55-5-Agriculture Department dated 28-11-55 that a sum of Rs. 30 lakhs has already been provided under the second five year plan for setting up State Marketing Corporation in the Madras State and the question of giving assistance to the South Kanara Market Committee from Commodity Committee does not therefore arise.

I request early orders.

Sd. P.P.I.Vaidyanathan,
Director of Agriculture.

2. Director's Memo. No.1-733/54 dated 3-8-1954.

7. D.O. No. F6-(2)50 dated 15-12-1955 from the Secretary, Indian Central Arecanut Committee.

The Collector of South Kanara has now taken up the acquisition of the area of 1.50 acres proposed by the Committee for locating the Market Yard. The draft notification under Section 4 (1) of Land Acquisition Act has been duly submitted to the Government for publication in the Fort St. George Gazette in Collector's Ref.K1-25369/55 dated 30-11-1955. It is therefore necessary for the Committee to make arrangements for funds needed for the purpose. The cost of acquisition is now estimated at Rs.1,38,000/-.

2. This Committee was trying to get some financial aid from the Indian Central Arecanut Committee who have now informed me that the Government of India have since intimated the Government of Madras in letter No.F1-63/55-Com.1. dated 21-10-1955 that since the Government have already provided a sum of Rs.30 lakhs under the Second Five Year Plan for setting up state warehousing corporation in Madras State, the question of financial assistance from commodity Committees did not arise." It is therefore clear that the Committee should depend only on financial assistance from the Government of Madras.

3. I therefore submit that the financial assistance requested in this Office letter quoted (3) above may kindly be arranged to be got from the Government at an early date, so that the needed finance may be available in time to pay the cost of acquisition.
